

The logo is set within a square frame with a gold border. The background is split horizontally: the top half is a dark grey-blue, and the bottom half is a solid black. A white silhouette of a mountain range with three peaks is positioned across the middle. A gold DNA double helix is superimposed over the mountain range, with its two strands following the peaks and valleys of the mountains. The letters 'IBG' are printed in a large, white, sans-serif font in the lower half of the image.
